Dear Sir:

Our family wishes to thank you for your acts of kindness during our stay in Greenwood. Also for the nice farewell at the depot.

We find ourselves very well established in Homewood. The Homewood is very nice and the town of Guelph the same.

We are always writing to friends in Greenwood as we like to know what is happening to the Japanese at present in Greenwood.

The people here treat us just as any one of you. They are nice and always interested in the Japanese as you were. Well, it's time to go.

I thank you again

I remain
Yours very truly,
Jerry Takemichi

1.
This is a letter from Mrs. Matsuoka to the
author of the book "The Japanese in Canada".
The letter is dated 1941 and is written in
English. It is a very interesting letter and
contains a great deal of information about
the Japanese in Canada. The letter is written
in a very simple and direct style. It is
a very good example of a letter from a
Japanese person to a Canadian person.
